- Anvaya (Prose Order): Verses rearranged from poetic meter into direct syntactic sentence order for effortless comprehension.
- Rich Meaning & Translations: Full context translations available in Gujarati, English, Hindi, and Sanskrit.
- Interactive Word Meaning Modals: Tap any individual Sanskrit word to inspect its root, meaning, and theological relevance.

# Vachnamrut & Swamini Vato Cross-References

## Vachnamrut Cross-Scriptural Mapping

*Grounded in Bhagwan Swaminarayan's Discourses*

- Every Shloka is mapped to foundational Vachnamrut prakrans (Gadhada, Sarangpur, Kariyani, Loya, Panchala, Vadtal, Amdavad, etc.).
- Reveals the divine roots of each injunction directly from Bhagwan Swaminarayan's nectar-like words.
- Interactive Concordance Tabs: View full Vachnamrut titles, context excerpts, and theological harmony right below the verse.
- Enables serious students and scholars to conduct deep comparative study between Satsang Diksha and the Vachnamrut.

## Swamini Vato Concordance & Wisdom

*Teachings of Aksharbrahma Gunatitanand Swami*

- Direct cross-citations to Gunatitanand Swami's revolutionary spiritual discourses (Prakran & Vato numbers).
- Provides practical commentaries and spiritual remedies that illustrate how to live the injunctions in everyday life.
- Thematic Indexing: Verses tagged by spiritual topics such as Mahima, Atmanishtha, Dharma, Vairagya, and Bhakti.
- Authentic & Verified: Every scriptural reference is strictly verified against sanctioned BAPS publications.

5. AUDIO & CHANTING

# Multi-Track Udgaan (Audio Recitation) Suite

## Continuous Playback & Learning Modes

*Customized Chanting Experience*

- Multiple Grouping Options: Listen by Prakran, in sets of 5 shlokas (Guruhari's daily recommendation), 10, 25, or all 315 shlokas.
- Auto-Advance / Continuous Play: Seamlessly transitions to the next verse automatically upon completion of the audio.
- Loop Mode: Repeat the current verse continuously for rhythmic memorization and vocal practice.
